### About Mermaid

Mermaid Maritime Public Company Limited (“Mermaid” or the “Company”) is a leading provider of drilling and sub-sea engineering services for the oil and gas industry in South East Asia. Over the last five years, the Company has grown significantly in the areas of sub-sea engineering, and more recently, drilling services for the offshore oil and gas industry as well as in training and technical services. Mermaid has established itself as a company recognized by the industry for high quality services, delivered safely and efficiently. The Company has developed a strong blue chip client base that includes some of the world’s largest oil and gas-related companies. The Company operates throughout South East Asia, particularly in Thailand, Indonesia, Malaysia and Vietnam.

Mermaid provides drilling services through its majority-owned (95%) subsidiary, Mermaid Drilling Ltd. (“MDL”) which currently has two tender rigs. The Company provides sub-sea engineering services through its wholly owned subsidiary, Mermaid Offshore Services Ltd. (“MOS”). MOS provides sub-sea inspection, repair and maintenance services, light construction services and emergency repair and call out services in South East Asia. MOS’ fleet consists of four vessels which it owns, in addition to one dynamic positioning construction vessel and one remotely operated vehicle (“ROV”)/air dive support vessel, both of which it charters. In addition, MOS owns one portable saturation diving system, seven air diving systems and seven ROVs.
