**US\$ 20.72 MILLION LOAN FACILITY AGREEMENTS AND
DISCLOSURE PURSUANT TO RULE 704(31)**

Mermaid Maritime Public Company Limited (“Mermaid” or “Company”) wishes to announce that its wholly owned subsidiary, Mermaid Subsea Services (Thailand) Ltd. (“MSST”), has entered into Facility Agreements (“Facilities”) with the Export-Import Bank of Thailand (“Lender”) to borrow from the Lender a loan of up to the aggregate principal amount of US\$ 20,720,000 (United State Dollars twenty million seven hundred twenty thousand) (“Loan”).

The purpose of the Facilities is to support the company’s working capital.

For the purposes of disclosure under Rule 704(31) of the Listing Manual of the Singapore Exchange Securities Trading Limited (the “SGX-ST”), the Facilities contain a condition whereby a mandatory prepayment event (“Event of Default”) shall occur if: Thoresen Thai Agencies Public Company Limited (“Thoresen”) hold directly and/or indirectly less than 52% (Fifty-Two Percent) of the total issued share capital of the Company.

Should the Event of Default occur, the Lender shall be entitled to, among other things, disallow further drawdowns of the Loan (assuming the Facilities are not drawn in full), or declare any drawn down amount of the Loan to be repayable immediately plus default interest. The Lender may also exercise all other remedies available at law, including but not limited to, all of its rights under security. As at the date of this announcement, the Event of Default has not occurred and if such Event of Default occurs, the aggregate level of facilities that may be affected is approximately US\$28,380,000, of which US\$7,660,000 has been drawn and outstanding as at the date of this announcement.

Thoresen has been a strategic shareholder of the Company since 1995 and became the Company’s majority shareholder (holding more than 50% of the total issued share capital of the Company) since 2005, an ownership interest which it continues to maintain up to the present time.

Please be informed accordingly.
