

One Enterprise Plc. ("ONEE") traces its origins back to its inception as "Exact Company Limited" in 1991, under the leadership of Khun Takonkiet Viravan. Following the acquisition of a license from the Office of The National Broadcasting and Telecommunications Commission (NBTC) for Channel ONE 31 in 2013, the Company's evolution has been remarkable. What began as a content creator has now transformed into a comprehensive and fully integrated television media provider. ONEE has expanded its capacities beyond content production, adapting proactively to consumer preferences across all channels.
